

# Connecting world with Electronics

**MLS Component Solutions  
Private Limited**

One stop shop for all **Electronic Components**

## About Us

Founded in 2012, MLS Component Solutions Pvt. Ltd. is a leading distributor of industrial electronic components in India. With over 22 years of management expertise, MLS has grown into a one-stop solution for manufacturers, OEMs, and developers seeking reliable and cost-effective electronic parts. Our mission is to bridge global supply with local demand ensuring our customers get timely access to both - mainstream and hard-to-find components at competitive prices. Backed by a strong sourcing network across the world, MLS guarantees quality, reliability, and service excellence.
